- 1000 hrs After your welcome drink, you will go back to the Registration Jetty where your tour guide will **give you 2 options:**

OPTION A is the Canopy Walk. The Canopy Tower itself, requires approx 850 steps going up hill, you will reach the canopy tower which consist of 5 aluminium structure, averaging 40 – 50 meters in height. These activities are only recommended for people who are physically fit, healthy, and not afraid of heights. Please note that from 930hrs to 430hrs, the weather is very hot and humid and trekking to the canopy tower is very taxing and not much can be seen except experiencing the rainforest environment. The best time to go to the canopy is sunrise and sunset time, this can only be done when you stay overnight.

OPTION B is to stay and relax in the Resort. Ulu Ulu Resort sits on the edge of the 50,000 hectares of pristine rainforest. This location has observation decks, areas where you can relax on the hammocks, good range of flowers, trees, herbs and other plants that attract birds, insects, butterflies, for you to observe or take a photograph. If time permits, you will have the chance to do water tubing in the Temburong River **(Note: only available for those who can swim)** and trekking to the mini water fall. After which, you can enjoy a hot shower at Ulu Ulu Resort. 1 Bath Towel will be provided per person. (Free flow of coffee and tea. Our drinking water is pumped from the river and go through a 5-stage particle filtration and a final stage through a drinking water filtration. Our water is not chlorinated).

1230 hrs After a tiring but exciting walk, local lunch will be served at Valley Cafe. It is consist of local cuisine (rice with 4 dishes) and fruits.

1330 hrs Depart Ulu Ulu Resort National Park by longboat and proceed the journey back to Bandar Seri Begawan (BSB). Departure time is approximate and latest by 1430 hrs
